Aerospace Education – 1st Lt Bob Thorn

1. I am currently working on CI tabs for the SAV.
 - a. Major Carlson has provided reports to account for our professional development.
 - b. I need POA's from each group AEO to build a wing POA.
2. I would like to make sure each AEO in the wing has gotten AEX books.
 - a. They are full of great, easy projects that cadets can do in a typical meeting.
3. I have a PowerPoint presentation about being an AEM that I can distribute to expand that program.

Sincerely,

Robert M. Thorn, 1Lt., CAP

Stan / Eval – Maj Russell

For those pilots who did not attend any of the 3 pilot meetings conducted over the past several months, the following 3 requirements must be met. When these requirements have been completed and I receive the course completion certificate, I will return the pilot to flight status.

1. View the "Cold Weather Operations" WEBINAR located at www.aopa.org/asf/webinars
2. View the "Cold Weather Starting Procedures" slides presented at the Central Region Pilots Meeting in the wake of the engine fire in 553. These slides are located on the Wing Web Site on the Stan/Eval page. Located at <https://sites.google.com/a/squadron339.org/pawg-operations/stan-eval>
3. Enroll in, and pass, any of the following FAAST courses (totaling 1 complete credit) and present me with a course completion certificate. Located at https://www.faasafety.gov/gslac/ALC/course_catalog.aspx

Choose 1 from ROW A (1 credit each) or 2 from ROW B (1/2 credit each)
