

NCSA Hawk Mountain Ranger School 7 - 15 July 2018

HMRS is open to both Cadets & Senior members

SAR, Survival and Leadership skills are taught and experienced entirely in the field.

This is a wilderness school.

There are NO dormitories.

It will be just you & your fellow students against the elements.

Hawk Mountain Ranger School has a proud history of providing outstanding SAR and emergency services training. The school is conducted in the mountains of Pennsylvania under mission field conditions and is very physically & mentally demanding.

Curriculum includes but not limited to: navigation, search techniques, communication skills, woodsmanship, campsite selection, first aid, patient evacuation, specialized equipment, health & nutrition, and survival skills. In addition to the practical skills, leadership and character development are also emphasized.
