

CIVIL AIR PATROL

HAWK MOUNTAIN RANGER SCHOOL

FIELD COMMUNICATORS COURSE

Are you interested in supporting missions as a radio communicator? We invite you to Hawk Mountain Ranger School to hone your skills and gain practical experience as a Mission Radio Operator and Communications Unit Leader. The school is offering two levels of training to both cadets and senior members.

Set up mission base communications

Be a field communicator on the Field Training Exercise

Obtain Ranger and Ground Team Member training

Learn about navigation, base station site selection, and woodsmanship skills

In the basic course, students will be trained to achieve the status of Mission Radio Operator.

In the advanced course, students will be trained to the level of Communications Unit Leader. ICS 300 is included in the course.

Register by June 2018

Course Dates: 7-15 July 2018
