

This plan will bring continuity in all squadrons for each months lessons. This will help Chaplains and CDI Officers to coordinate training schedules, particularly when a volunteer is filling in or a Chaplain or CDI visits any squadron.

Each lesson is found in the official CAP FLIGHT TIME: “Values for Living”
Each lesson can be printed from eservices CAPP 265-2

Only lessons approved by CAP may be presented – if you have a lesson that you think would be a great addition, it must be submitted to NHQ for approval prior to use. Please contact the Wing Chaplain or Wing CDI officer for submission.
